~~That they~~ have carefully examined the subject and Report
that in accordance with the wish of the Vestry they made
application to Mr Walter to ascertain at what price
he would make the entire alteration according to the
drafts & plans submitted by him to the Committee and
by them laid before the Vestry at their last meeting
by his Note to the Committee herewith presented as a part
of this report it will be seen he declines entering into
a contract for the work. The estimate of Mr Knight

7 feet 11 inches, (5 sittings of 19 inches each. — The Stairs to be 5 instead
of 4 feet wide at the West end but no vestibule in the place of
which it is recommended to have bulk heads at the
doors in the N & So. sides of the Church. The South
East door to be closed and a window corresponding
to the other to be put in its place — the present
Stairs in the East end to be removed ~~the room~~
the one side to be a vestry room and the other a library
The floors of the church to be raised so as to make the
tops of the new pews, ~~about~~ a few inches lower than the
present. — Furnaces to be built in the N.W. & S.W. corner of
the Church as indicated in Mr. Walters —— no
alteration to be made in the Chancel of the Church
except double sash and a curtain to be made to the large East window ~~the large East window to be made~~

[left margin: "& f Stairs / & fi ding"]

~~for the~~ The Arch in the Wall to be enlarged so as to admit the ~~the~~ centre of the organ to rest in the wall ~~so as to~~ and leave room for the choir in the Gallery which shall not extend beyond the Western ~~pillar~~ columns. — A special staircase to be carried up in the W. end of the belfry so as to permit both the North & South doors to be opened.
The ~~avenues~~ small aisles leading to the front pews in the Gallery to be in a line with the Columns.
